

# Particles and Cosmology – 2025

Monday, 7 April 2025

**Introductory Lectures about Baksan Neutrino Observatory: Baksan Neutrino Observatory. Current Status and Prospects (Valery Petkov) - Conference hall (17:15 - 17:45)**

| time  | [id] title                                                     | presenter      |
|-------|----------------------------------------------------------------|----------------|
| 17:15 | [69] Baksan Neutrino Observatory. Current Status and Prospects | PETKOV, Valery |

**Introductory Lectures about Baksan Neutrino Observatory: Double Beta Decay (Vladimir Kazalov) - Conference hall (17:45 - 18:15)**

| time  | [id] title              | presenter         |
|-------|-------------------------|-------------------|
| 17:45 | [106] Double Beta Decay | KAZALOV, Vladimir |

**Introductory Lectures about Baksan Neutrino Observatory: Neutrino Experiments with Gallium Target (Valery Gorbachev) - Conference hall (18:15 - 18:45)**

| time  | [id] title                                     | presenter         |
|-------|------------------------------------------------|-------------------|
| 18:15 | [107] Neutrino Experiments with Gallium Target | GORBACHEV, Valery |
