

Rubakov School on Particle Physics and Cosmology for Young Scientists

Wednesday, 9 July 2025

Effective potential in quantum field theory and metastability of electroweak vacuum (11:30 - 12:30)

Thursday, 10 July 2025

Effective potential in quantum field theory and metastability of electroweak vacuum (09:00 - 10:00)

Effective potential in quantum field theory and metastability of electroweak vacuum (10:00 - 11:00)

Friday, 11 July 2025

Effective potential in quantum field theory and metastability of electroweak vacuum (15:30 - 16:30)
